Supervisor Henry A. Boney of representation and tax in-board of the Schrade-Mills Transit District. "Currently there is no procedure for including Lemon Grove and Spring Valley in the formation of this district," Boney said. "This means that this area would not have a representative on the governing

Officers Elected At Jr. High PTA

Mrs. T. H. Halley, chairman of the Lemon Grove Junior High School PTA Nominating Committee, presented at the March meeting the 1966-67 slate of officers.

The following officers were unanimously elected: president, Mrs. H. L. Nottingham; first vice president (program), Mrs. S. C. Brumbaugh Jr.; second vice president (membership), Mrs. N. Smith; third vice president (hospitality), Mrs. C. Kennedy; fourth vice president (room representative), Mrs. C. LeRoy; fifth vice president (publicity), Mrs. C. Cox; secretary, Mrs. J. A. Huskey; treasurer, Mrs. D. C. Childers; historian, Mrs. G. L. Whyte; and auditor, Louis Poluzzi.

At the March 11 San Diego County Music Educator's Association Choir Festival, the Concert Choir sang Palestrina's "Exultate Deo" and Jojo's "Song of the Open Road." The plaque for a "superior performance," which is automatically given to the choir receiving the highest rating, went to the Miguel group.

On Saturday, March 12, the Girls Ensemble won "superior" ratings at the Southern California Vocal Association Ensemble Festival at Cerritos College in Norwalk. Forty ensembles from throughout Southern California participated. In addition to the superior award, the ensemble was selected by three adjudicators as one of the six most outstanding ensembles at the Festival. These six then presented an evening concert at Cerritos College.

Both musical groups are directed by Robert Boucher.

Boney also expressed concern that residents of the Lemon Grove-Spring Valley area would be taxed at the same rate as residents of the City of San Diego. "It is not fair that the people of this area should be forced to help pay the transportation costs for the people who live in the City of San Diego," he said.

Boney said he would support the non-profit transit system. Under the non-profit plan, the City of San Diego would buy the current transit system and then contract with the County to provide bus service in the Lemon Grove - Spring Valley area. This service would be provided at cost to the County and to other cities in the metropolitan area.

Assemblyman James Mills who was present at the meeting said that amendments recommended by the County Board of Supervisors would be placed in the Schrade-Mills Act.

Memorial Fund Set Up For Watts Riot Victim

Students and parents of Santa Sophia Academy at Spring Valley are contributing to a memorial fund set up for the family of Lawrence Gomez, who was killed in the Watts riot early last week.

Gomez was the brother of Mother Vianney, teacher of fourth and sixth grades at the Academy. The fund is nearing \$200 and anyone wishing to contribute may send a check to Mother St. Vincent, principal of the Academy, 9900 San Juan St., Spring Valley.

Gomez, a resident of Cypress Valley, was a truck driver for Spark letts Drinking Water Corp. and leave: a wife and five children. Mother Vianney, who has been with his family since the tragedy and attended her brother's funeral last Saturday morning at which Father Ferrigan represented Santa Sophia Parish, has returned to Spring Valley very consoled by the comfort and statewide sympathy given to her family.

Additional funds have been organized in the Los Angeles area by neighbors, fellow employees, civil rights leaders, TV talk-show emcees, a Watts Baptist congregation, and Ronald Reagan.

A special mass for the repose of the soul of Gomez was given Tuesday morning at Santa Sophia Church in Spring Valley, with students, parents and parishioners attending.

Fashion Show Set For Helix High

"In the Heart of Fashion" will be the theme for Helix High School's Fashionality Night to be held tonight at 7:30 in the Helix Cafeteria.

Tickets costing \$1 may be purchased from any person modeling in the fashion show or any girl on the Fashionality Night Committee.

"This is one of our most important money raising projects this year," said committee chairman Carol Schenke, 16, daughter of Mr. and Mrs. Leon Schenke, 7981 Cinnabar Dr., La Mesa.

Sixteen models were selected by student judges on the basis of figure, poise, grooming and personality. Two teacher models will be featured.

Walker-Scott will sponsor the fashion show to which the public is invited.

"Fashionality Night promises to be one of the best ever!" Carol said.

No Choice By Donovan

Assemblyman Richard J. Donovan, R-Chula Vista, said recently that he had endorsed no candidate as his successor as 77th District Assemblyman.

He said he had decided to issue a statement as a result of a speech by Paul Sutherland before the National Avenue Business Association in National City in which Sutherland said Donovan had "encouraged" him to run for the post. Sutherland is opposing Chula Vista Mayor, Eleanor Anderson for the nomination.

"I encouraged a number of interesting people to run," Donovan said, "so the voters would have an opportunity to look at several candidates and make a good choice as to which one would make the best Assemblyman and has the best chance of being elected. In fact, I am looking at the candidates closely myself."

"But, as of this time I have definitely not endorsed any candidate and any implication that I have is not accurate."

The DIMMER VIEW
by MAX GOODWIN

Change of Guard at Ol' G.C.

The resignation of John Hansen as president of Grossmont Junior College came as a surprise to many who knew him well. In contacts with Hansen there was no evidence of his dissatisfaction nor dislike for the district. Conversely, he frequently talked of long range programs he was espousing.

But, apparently, his interest in his former home area was never quieted and it is believed that this contributed more than anything else to his decision to leave. So far, it hasn't been publicly announced why or when he came to the decision nor where he will serve after he leaves here.

It is not likely that he will do as some of the chancellors of the University of California have done: change his mind and rescind his resignation. The college board of trustees will probably choose Hansen's replacement soon because he will be leaving in June.

The board will not, certainly, seek a will-of-the-wisp for Hansen's replacement. The replacement should be one with a solid record of staying in one spot for a long time. The board should take a hard look locally before it decides and it will come across one of the most substantial names in east county education no matter in what direction it strikes out. The name is that of Harold Hughes, superintendent of the Grossmont Junior College District and deputy superintendent of Grossmont Union High School District.

Hughes has been serving the district since 1936 when he came to Grossmont High School as a chemistry teacher. In 1938 he began to split his time between teaching chemistry and serving in the administrative office. Soon his administrative duties included serving the student body and serving as budget officer. He went into the Navy following Pearl Harbor and returned a Lt. Commander four years later. He was made vice principal and business manager of Grossmont High School in 1946, and assistant superintendent in 1952. He became deputy superintendent in 1953 and was responsible for planning and construction of the district's eight high schools.

When the Junior College District was formed, Hughes became deputy superintendent there, along with his duties of deputy superintendent of the high school district.

When Lewis Smith asked to be relieved of his duties because of failing health in 1963, Hughes was made superintendent of the junior college and was asked to keep his post as deputy superintendent of the high school district. Dr. Tom Warburton, another fine administrator, was made superintendent of the high school district.

During this time Hughes developed a reputation for forthrightness and honesty. Today, people who know him would take Hughes' verbal promises quickly as they would many written agreements of most other people.

The district will look far and long before it finds another official available who has Hughes' capabilities and one who has the respect of so many people that he has served.

Showmanship Goes On

Republicans are sponsoring a "season opener" fund-raising dinner March 29 at the Disneyland Hotel.

Former Vice President Richard Nixon is to be speaker and GOPs will go from there, right on down to the election line, trying to get more Republicans in office.

There's nothing unusual about that. What is unusual is the price of the dinner. It's \$108.30.

Explained Dr. Gaylor B. Parkinson, chairman of the Republican State Central Committee, "\$100 is the price of the dinner tickets. The remaining \$8.30 represents the 1960 to 1965 inflation factor."

The idea is pretty good. It dramatizes the inflationary spiral our leaders have spun us into.

Conform Or Move Signs—Sups

SAN DIEGO (CNA) — The County Board of Supervisors Tuesday adopted an ordinance to force removal of nonconforming signs within five years.

The move is the county's first attempt to abate any nonconforming uses.

The main reason that signs (or building or uses) become nonconforming is when areas that have been unzoned become zoned. They can also become nonconforming by a rezoning.

The county ordinance calls for the removal of the signs by March 1, 1971, and for removal of signs which come nonconforming in the future within five years.

Portable nonconforming signs (in several forms including those on old automobiles) must be removed by Sept. 1, 1966, and within 90 days thereafter if they become nonconforming.

SDG&E Transfers Headquarters

San Diego Gas & Electric Company has transferred its electric maintenance headquarters from Tenth and Imperial Avenues to Kearny Mesa, J. F. Sinnott, company president, has announced.

Major activity at the headquarters will be the repair of transformer and communications equipment.

80th Assembly District Candidate To Speak

"Our Red Enemy: Red Ink" will be the subject on which Frank Seeley will speak about Friday at the Lemon Grove Men's Club noon luncheon meeting.

Seeley, a Republican candidate for the 80th Assembly District, will be discussing fiscal policies of state government.

Paul Sutherland, Republican candidate for the 77th Assembly District, told Men's Club members last week of some of the problems in state government.

He cited welfare as being one of the greatest problems in the state. "In 1946 two percent of the people in the state were on welfare. Today that figure stands at 15 percent," Sutherland said.

"Welfare is San Diego's biggest industry. The number of welfare recipients has grown by 43 per cent since 1961," stated Sutherland.

He said the state should have more welfare examiners so it could chop off some of the non-eligibles.

Sutherland also talked about the financial situation in Sacramento.

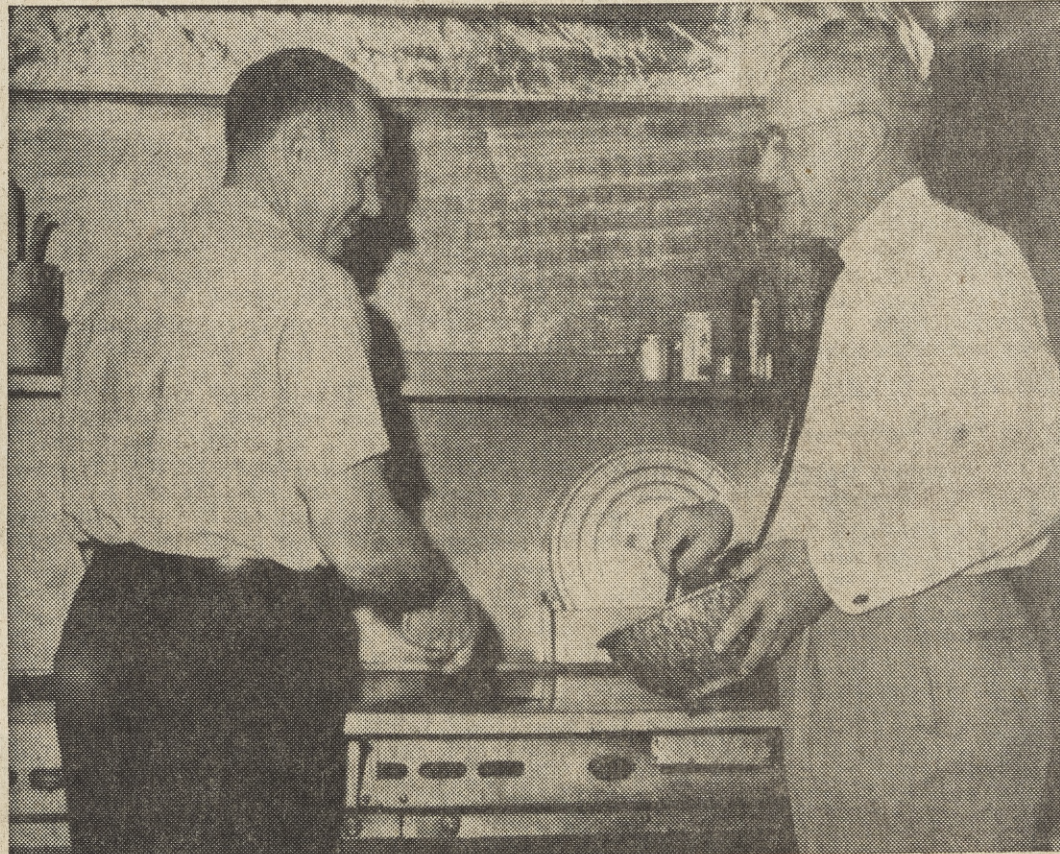

"In the last seven years under the Brown administration, the state budget has grown from 2.19 billion dollars to 4.6 billion. We are presently 300 million dollars over our budget in proposed expenditures. I believe the answer is not in increased taxation as some have proposed. I feel we can cut down on overlapping government. One state economics investigator has said that 250 million dollars could be cut immediately from the budget without any repercussions. This would leave us only 50 million dollars from our goal."

Sutherland also discussed the tax situation in the state.

"State and local taxes here are 40 per cent higher than in many other states. A national industrial rating survey has rated California as only the 13th most desirable state to operate a company in. This is because of the high cost of property and inventory taxes," related Sutherland.

He said he favors dropping the inventory tax, cutting back on welfare, relieving the property owner of his burden, and increasing state aid to education.

Sutherland added that his first approach, if elected, would be to have a review on the total state budget to determine where the economics can be affected through elimination of waste, overlapping and duplication.

PANCAKE JAMBOREE—Ray Carmody, left, is doing the flipping while L. O. Hansen, right, does the stirring for Lemon Grove Kiwanis' Pancake Jamboree, to be held Saturday from 7 a.m. until 7 p.m. at Lemon Grove Junior High School. Over 3,000 are expected during the day-long event. The menu will feature pancakes, ham, coffee and milk. Tickets are \$1 for adults and \$.50 for children.

DEBBIE

Benefit Slated Here

The Chula Vista Sabers and the San Diego Chargers will play a benefit basketball game Saturday night at Mount Miguel High School for Debbie Beck, the six-year old Lemon Grove girl who is a "Strauss Syndrome" child.

Debbie's bills run quite high as repeated visits to clinics and medical centers do not come cheap. Because of this, the Sabers took it on themselves to arrange a benefit game for Debbie.

The contest will begin at 8 p.m. A preliminary contest between the Chula Vista All-Stars from the Chula Vista Recreation League and Encanto Sports Club All-Stars will begin at 6:15 p.m. Admission is \$1.

Starters for the Sabers will be forwards Bob White (60) and Louis Lake (65), a former All-Marine player from MCRD in San Diego; center Lewis Wooten (65) and guards Day Chanler (59) and Jon Whitticar (510).

Other squad members are team owner Larry Bauman, a 5-10 guard; guards Gene Garner, Dennis Young and John Roberts and forward Steve Hazen.

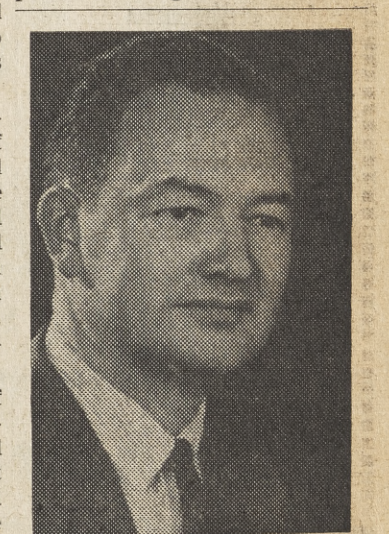

Members of the San Diego Chargers basketball team who will take the floor are Earl Faison, Walt Sweeney, Sam Gruneisen, Leslie Duncan, Jacques MacKinnon, Steve Tensi, Ernie Wright and Bob Mitinger.

Mt. Miguel Stage Band Wins First

Mount Miguel Concert Band will enter the Fontana Music Festival Friday. The judge will be Edwin Richard Golman.

The school's Stage Band placed first out of 150 bands at the Fontana Music Festival last Friday before Skitch Henderson. Only 12 bands were accepted to appear and out of the 12, only four were selected as finalists and played again in the evening. Coronado was runner-up to Miguel.

At the Jazz Festival held at Southwestern Junior College Saturday, judged by George Roberts, a bass trombone virtuoso from Hollywood, Mount Miguel and Helix tied for first place in the high school division.

Assessor's Office Eyed

John Nagy, of Chula Vista, has announced his intention to file for the office of San Diego County Assessor.

Nagy, president of the State-wide Homeowners Association, said, "I am doing this only as a means of obtaining taxation justice for the homeowner, businessman and farmer."

"I have found abundant evidence that there are wide discrepancies between different classes of property. The policies of the local assessor's office have been to assess homes and business personal property at a higher ratio to market value than slums and vacant lands held for speculation."

"A recent survey of San Diego County shows that while homeowners are assessed 25% of the market value of their homes, slums are generally assessed at 10% and vacant land held for speculation at about 5%. These practices place an unfair burden of the property tax on the homeowner. Accordingly, when a homeowner pays \$400 in taxes, slums of equal

County Heart Association Plans Risk Reduction

The San Diego County Heart Association is planning a drive to discourage people from gambling with the health of their hearts.

The campaign will acquaint people with "risk factors" identified in heart disease, according to Stephen P. Cushman, public information chairman of the Heart Association.

Cushman said the American Heart Association has isolated six factors, within the control of the average person, having a relationship to the development or triggering of heart attacks and strokes.

He said the campaign throughout the remainder of 1966 will urge people to take these six steps to reduce the risk of heart attack: 1. Have regular medical checkups; 2. Decrease saturated fats in the diet; 3. Stop smoking cigarettes; 4. Reduce if overweight; 5. Exercise regularly; 6. Control high blood pressure.

Cushman said the Heart Association plans to ask the help of the news media to bring the Risk Reduction message to the public. Newspaper articles, radio and television spot announcements and outdoor advertising posters are planned, as well as speakers and other person-to-person methods to reach the public.

A petition for growth in grace and spiritual perception will open the Lesson-Sermon on "Reality" at all Christian Science services this Sunday. The Golden Text is from Psalms: "Blessed art thou, O Lord: teach me thy statutes... Open thou mine eyes, that I may behold wondrous things out of thy law."

Final Show
The San Diego Ballet Company winds up the March portion of its three-month Ballet Showcase series with evening performances this Friday and Saturday at 8:30, and a Saturday matinee at 2. The productions are staged in the Showcase Theatre at the Ballet Center, 3255 Fifth Ave.

Trip To Washington Is High School Prize

The second annual contest for high school juniors to win a trip to Washington, D. C., to work with Congressman Lionel Van Deerlin in his capitol office this summer, was announced recently by contest co-chairman Robert O. Peterson and Fred Davies.

Two boys and two girls will be selected for the educational opportunity which was created last year by Van Deerlin with the intent "to bring young San Diegans to a better understanding of the federal government and to learn from a practical standpoint the applied methods of its operation."

The two-week long "on site seminar" in Americanism in action, also includes tours of the White House, Capitol Hill, the State Department, Supreme Court Building, Smithsonian Institution and other top governmental agencies as well as historic shrines.

Following the business meeting at 7:30 Sunday in Porter Hall, La Mesa. During the business meeting the final plans for the coming Gem Show will be made. It will be in the Helix High on April 30 and May 1.

Following the business meeting Norman F. Johannessen will speak on Emerald Mining in Australia. Johannessen is in the planning department of the City of La Mesa.

Several of the club members went into Mexico for a field trip Sunday and collected rhyolite, petrified wood, and fossils from the Pinto Mountain area.

Rabies Found In Bobcat

The San Diego Department of Public Health recently announced a laboratory confirmed a case of rabies in a bobcat that was killed in a Jamul home.

Dr. J. B. Askew, director of public health, said that when the animal was challenged by a dog March 14, it ran inside a house where a member of the family killed the bobcat with a fireplace poker.

One dog known to have been bitten by the bobcat is now being held under observation, Dr. Askew said. He added that it is not known whether any other animals in the area were exposed to rabies.

Vaccine Aids
"All dogs over four months of age that have not yet been vaccinated against rabies should be vaccinated at once," he said. "Any dog with an expiring rabies vaccination should also be taken to a veterinarian for vaccination. Rabies vaccinations

Foreign exchange students will be speakers this week on Thursday at the monthly meeting of Mount Miguel PTA.

Italo Ferrarini, from Italy, and Wilfried Huelsmann from Germany, will discuss the difference between communities from which they came and the one here.

Joyetta Tenison, an American student who was an American Field Service exchange student in Germany last year, will compare German teenagers with American ones.

Mrs. Dwight Putnam, district representative, will preside during the exchange student program.

Mrs. Howard Allen To Head Casa de Oro Parent-Teachers

Mrs. Howard Allen was elected president of the Casa de Oro PTA at the regular meeting Thursday. Other officers to be seated July 1 included: Mrs. Jerry Bell, first vice president (Program); Mrs. Riley Lively, second vice president (Hospitality); Mrs. Bill Lindsay, third vice president (Ways and Means); Mrs. Joseph Smith, secretary; Mrs. George Gray, treasurer; Mrs. Wendell Neves, historian; and Mrs. Edward Pye, auditor.

Mrs. Ralph McJunkins, president of the Casa de Oro PTA, presented the slate as drawn up by the Nominating Committee, consisting of Mrs. George Benson, Mrs. Richmond Haustein, Mrs. Harold Parrott,

are effective for only two years."

Dr. Askew said that San Diego County regularly contracts with the U. S. Fish and Wildlife Service to trap predatory wild animals in the county. "We have asked that the two trappers working in the county give special attention to Lawson Valley and the Jamul area," he said.

Dr. Askew also warned county residents to remember that "many wild animals normally do not approach humans or come close to human habitations. If an animal is behaving abnormally by coming near a person or a home, it may be rabid and should be avoided."

First Report
Dr. Askew said the bobcat was the first wild animal reported rabid in San Diego County since 1963. It was San Diego County's first laboratory confirmed case of rabies this year. There have been four laboratory confirmed cases or rabies so far this year in dogs from Tijuana.

Since the current rabies outbreak began on Sept. 4, 1962, the San Diego Department of Public Health Laboratory has confirmed rabies in a total of 19 animals on both sides of the border.

San Diego County was declared a rabies area by the State Department of Public Health in October, 1962. Under this declaration all dogs in the county over four months of age are required by law to be vaccinated against rabies.

The South Bay area and most of the City of San Diego are under rabies quarantine. Dogs in this area must not only be vaccinated but must also be confined to the premises of their owner at all times or be on a leash.

Mrs. Howard Allen, and Principal Vincent Toth. The slate was adopted without dissent. The new officers will take office July 1.

A Festival of Art was held following the meeting. Arrangements were under the direction of Mrs. George Tatum and Mrs. John Harriman, with Mrs. Kathleen Koenig as the faculty adviser. Rows and rows of original art representing every class in the school were on display for public viewing. It was estimated that over half of the students were represented by some display of art.

Colors were presented by the Cub Scouts of Den 5, Troop 354, Mrs. Nevinger, Den Mother, and the third grade mothers were hostesses, serving dessert and coffee during the evening.

Special demonstrations were given during the evening by students of the following grades: Grade 5, Mrs. Virginia Zysk, teacher, — basketweaving and tapestry; Grade 4, Robert L. Thomas, — paper mache; Grade 2 and 3 combination, Mrs. Mary Soucy, teacher—stitchery; and Grade 5 and 6 Combination, Mrs. Helen Sunderson, teacher — clay work.

"Point of View," a satirical film on smoking nominated for an Academy of Motion Picture Arts and Science award, is now available for screening by schools, service, women's church and other community organizations, according to Dr. Amorita Treganza, Lemon Grove-Spring Valley chairman of the Tuberculosis & Health Assn. of San Diego County.

The 16 mm film is being shown, free of charge, as part of the year-round education program supported by Christmas Seals. Featuring a troupe of professional actors, the 19-minute movie experiments with satire directed against the use of cigarettes and has been hailed as especially effective, Dr. Treganza said.

Dr. Treganza said groups may obtain the film for exhibition by contacting the Tuberculosis Association at 3861 Front St., San Diego, or by phoning 297-8901. Films on a variety of health topics concerned with tuberculosis and other respiratory diseases also are available.

"DAD" COLLIER AND ALBERT FROWISS

Contractor Purchases Horse Shoe Tavern

Horse Shoe Tavern, at 7662-63 Broadway, near Olive St. in Lemon Grove, was purchased this week by Albert C. Frowiss, a contractor who lives on Mt. Helix.

He operates a paving, grading, and excavating business in Lakeside.

Frowiss said that Ivan "Dad" Collier will manage the club. Collier is former owner of Terry's Club on Adams Ave. in San Diego. The club will be renovated but the name will remain the same.

The club has been operated for the past three years by Mr. and Mrs. Ted Fetter, operators of Pal's Cafe. They will continue to operate Pal's.

A new food policy will be announced after the club has been in operation several weeks by the new owners.

We want to see what people in the area want, and that's what we intend to give them," Frowiss said.

A grand opening event will

be held after renovation is complete.

Meanwhile, dancing will be featured three nights a week with Paul Murillo and the Western Strings supplying the music. Dancing is held 9-1 Friday and Saturday and 4-9 on Sundays.

LG Post Office Has Medicare Applications

Postmaster F. R. Faucher has announced that applications for supplemental Medicare benefits are available at the Lemon Grove Post Office.

The application blanks are being made available as the Social Security Administration seeks to contact 3.1 million senior citizens before the March 31 deadline imposed by the Medicare law.

Senior citizens who reached 65 before 1966 face a two year delay if they do not sign up by March 31. The application forms are pre-addressed to the Social Security Administration in Baltimore, Maryland.

LG Woman Wins Third

Mrs. Isabelle McCrae of Lemon Grove tied for third place Sunday in the Fun Flight Efficiency Race sponsored by the San Diego Chapter of the Ninety-Nines, an international organization of women pilots.

The women flew from take-off points at Montgomery Airport and Gillespie Field to Hemet and on to Palomar Airport in Escondido.

Mrs. Thelma Bishop of La Jolla was the first place winner.

HONORED — Harry Griffen, left, and William Jennings, respond to a bit of horseplay prior to being honored for serving the Helix Irrigation District. Both began serving in March. Griffen, board chairman, 15 years ago, and Jennings, legal counsel, 30 years ago.

Water Works Honors Griffen And Jennings

Two men who have long served the water district were honored last week at an irrigation district board meeting.

Harry Griffen, and William Jennings, were awarded pins for service to the Helix Irrigation District. Griffen, board chairman, was awarded a pin for 15 years service. Jennings, HID counsel, has served 30 consecutive years.

Horse collars, in the shape of toilet seats, gave a moment of levity to the otherwise solemn and sincere ceremony.

Griffen, who lives on Alton St. in Lemon Grove, is also a director of the S. D. County Water Authority, the Metropolitan Water District and chairman and member of the executive committee of the irrigation section of the Irrigation District Securities Commission to which he was appointed last July by Gov. Brown.

Griffen in the past served as trustee for both the Grossmont High School District and the Lemon Grove Elementary School District. He has been president of Rotary Clubs in Lemon Grove and in La Mesa.

Jennings, one of the leading experts on California water law, became legal counsel for the district in 1936 after he had been practicing law only five years.

value pay \$160 and vacant land of equal value pays only \$30. Farmers are being driven off their farms due to the inflated values caused by land speculators.

"The 134 acres purchased by the Grossmont Junior College District was assessed at 1.7%, 1.8% and 4.4% with an overall average of 2.4%. Homeowners in San Diego County are paying 10 times the taxes paid by those properties for like values.

"The high taxes paid by homeowners could be reduced by \$45 million if the assessor would equalize assessments, and that is what I intend to do when I am elected.

"My platform will include:

1. Publishing the rolls in local newspapers.
2. Have complete rolls available to all at libraries.
3. All classes of property assessed at the same ratio.
4. All property will be assessed every year.
5. I will ask for an immediate reassessment of all the land in the county.
6. Business equipment and fixtures will be depreciated much more rapidly and to a greater degree.
7. I will establish an Assessment Appeals Board replacing the Supervisors who are not qualified.

Nagy is a real estate appraiser and a property tax consultant. He is considered an authority on assessment practices throughout the state, and has written numerous articles on assessments and assessment practices of county assessors. His talks to service clubs, homeowners groups, real estate board, farm groups and business groups have received high praise.

BERT BETTS

State Treasurer Bert A. Betts told California municipalities that the "chaotic condition of the municipal bond market poses severe problems for you in financing projects with long-term bond issues."

Speaking before the Los Angeles County Division of the League of California Cities recently in Lakewood, Betts advised municipalities to carefully scrutinize such projects before they determine that bond financing is necessary.

Postal Services Rates Increase Begins Saturday

Postal patrons have been reminded by Lemon Grove Postmaster F. R. Faucher of the increases in money orders, insurance, registry, certified mail, and C.O.D. rates, effective Saturday.

The new rates were announced earlier this year by Postmaster General L. F. O'Brien, who pointed out that the cost of operating the five special postal services now exceeds revenues by more than \$60 million annually. The Postmaster General said the new fee increases should narrow the cost-revenue gap by about \$35 million, based on business handled in the 1965 fiscal year.

Postmaster Faucher said the new fee rates are the first changes authorized by the Post Office Department since 1961. The increases include:

Money Order Fees: Domestic and International, increase five cents.

Insurance Fees: Minimum fee bracket increased from \$10 to \$15 and the minimum fee will go to 20c from 10c.

Most other fees to be boosted 10 cents. The maximum fee, new 40 cents, will be 60 cents for values above \$150 to \$200.

Registry Fees: The present 60 and 75 cent fees are to be combined into a single fee at 75 cents for values up to \$100. The registry for articles valued in excess of \$100 remains unchanged.

C.O.D. Fees: The present 40 and 50 cent brackets will be combined into one, 60 cents for amounts up to \$10. Certified mail: Fee will increase 10 cents from 20 cents each item to 30 cents.

Losses incurred in the operation of these special postal services are paid from funds drawn from the federal treasury," Postmaster Faucher said. "We believe the new fee increases will shift a substantial portion of the special service cost borne by the public to the users of these services."

Las Vegas gambling places took in more than \$300-million last year.

CHALK TALKERS — A Spring Valley youth who attends a Lemon Grove school has become the first of his school to win a Mathematics Field Day Event. Paul Sporleder, son of Mr. and Mrs. C. W. Sporleder, of 9441 Montemar, Spring Valley, an eighth grade student at St. John of the Cross school in Lemon Grove, walked away last week with the "Chalk Talk" event held at St. Augustine High School. Paul gave talks on Association, Communicative, and Distributive properties of multiplication and addition; the base 10 numbers system, and square root. He located the position of the two Gemini satellites as an example of the latter. Shown with Paul is his math teacher, Sister Cecilia Mary. She said Paul is a good student in all subjects. He said he will go to Monte Vista next year and plan for something in the field of science when he goes to college. He is on the basketball team and swims.

Keep Easter Seals, Paid For Or Not

Keep and use your Easter Seals even if you can't make a contribution. Don't send them back to the San Diego Easter Seal Society.

Mrs. Robert Miller, chairman of the local 1966 fund appeal, reminded San Diego county residents this week that Easter Seals are not "returnable sales items with price tags." "They are," she said, "symbols of hope for the handicapped."

More than 300,000 homes in this county have received Easter Seals through the mails.

Losing Streak Snapped As Monarchs Top Birds

Monte Vista's Monarchs snapped a five-game losing streak Tuesday by beating Granite Hills, 5-2, in a Grossmont League baseball game at Granite Hills.

The win put the Monarchs overall record at 4-5 and league mark at 1-2.

Bob Forrester, senior pitcher, hurled a complete game for Monte Vista, striking out six while scattering eight Eagle hits.

Lead Taken

Granite Hills took a 1-0 lead in the second inning when Mike Reinbach scored from third on a sacrifice play.

The Monarchs tied it in the third as Jeff McCombs tripled and scored on a passed ball.

The Eagles popped right back and went back on top, 2-1, after John Cooper tripled and scored on a passed ball.

The Monarchs broke the

game up in the fifth inning.

Steals Base

Rick Aylward led off the inning with a single. With one out, he stole second.

McCombs walked. The two base runners pulled a double steal. Dave Miller followed with a double and both Aylward and McCombs scored.

Forrester walked and Gary Ward doubled, scoring Miller. Forrester, who advanced to third on Ward's double, scored later on a passed ball.

Monarchs Lose

Last Friday, Grossmont's Foothillers scored six runs in each of the first two innings to bomb Marv Lacey's Spring Valley nine, 13-1.

Monte Vista's lone run came in the second when Tom Arnold walked and scored on a double

by Tim Jones.

This Friday, Monte Vista will be at home to Helix.

Hillers Tip Monarchs

Grossmont High's Foothillers handed Monte Vista its second loss of the season in prep swimming action Monday by whipping the Monarchs, 60-35, at Carman Ranch Pool.

Friend's other winning effort came in the 200 meter individual medley where he hit 2:42.0. Steve Winterrowd was the only other Monarch winner. He was first in the 200 meter freestyle at 2:32.7.

The Monarchs met Escondido and El Capitan in a three-way meet Wednesday at Escondido's Washington Park Pool. They will take on rival Mount Miguel April 1 at Carman Ranch.

OVER THE HURDLES — Mount Miguel's Basil Machado, left, and Helix's Byron Olander, right, are pictured in the middle of their 120 high hurdles race in last Friday's Matador-Highlanders Grossmont League track meet. Olander nipped Machado, clocking :15 flat. The Highlanders won the meet, 74-57.

Helix Highlanders Dump Miguel, 74-57

Mount Miguel High's track team absorbed its second straight Grossmont League defeat last Friday as Helix's Highlanders proved to be rude hosts by winning, 74-57, on their own track.

The Matadors failed to score a victory until the 880-yard run as Helix won every running event but two.

Carl Jorgenson took the 880 in 2:01.6, Basil Machado won the other track event, taking the 180-yard low hurdles in :20.2.

In the field events, Ken Patterson won the shot put at 51 feet even and Pat Ela swept the triple jump at 41-9½ and long jump at 21-4. The Miguel 880 relay team also won, posting a 1:34.2 effort.

Miguel will be entered in the National City JayCees Relays Saturday at Sweetwater High School.

Vaqueros Top Locals In Slugfest

El Capitan's Vaqueros topped Mount Miguel, 12-9, Tuesday in a Grossmont League slugfest at El Cap.

The loss was Miguel's second in league baseball against one victory.

The Matadors scored first, tallying one run in the second. However, that lead was short-lived as the Vaqueros pounded two Matador pitchers for six runs in the third inning.

Miguel made it 6-3 in the fourth inning with two runs but El Cap matched that effort with two in the bottom of the same frame.

The Matadors tied things up with a five-run outburst in the fifth, 8-8, only to fall behind 5-
